AN ADDRESS

TO THE
PEOPLE OF THE U. STATES,
ON THE IMPORTANCE OF ENCOURAGING
AGRICULTURE & DOMESTIC MANUFACTURES:
Tending to shew that by a due encouragement of these essential interests, the nation will be rendered more respectable abroad and more prosperous at home.
TOGETHER WITH AN ACCOUNT OF
The Improvements in Sheep at Arlington,
The native Sheep of Smith's Island, and the plans proposed of extending this valuable race of animals, for the benefit of the country at large:

By GEORGE W. P. CUSTIS Esq.
Of Arlington House, in the District of Columbia.

AT a time when the energies of the nation seem awakened to the state of our foreign and domestic concerns, we conceive that the important interests of Agriculture and Manufactures should meet with a considerable share of the public discussion. Certain it is, that at no period of our political history could these national subjects excite more interest or be more properly urged to the notice of the publib mind. The unsettled and impending appearance of our foreign affairs, and the present disturbed state of the European world, renders it doubly necessary for the citizens of America to cherish and promote their domestic policy, whereby they may derive those resources which are now obtained from abroad and create wealth and industry within themselves. Too long have these important and patriotic interests been neglected. The nation now feels their want, and we trust will duly provide for their support. Government, hitherto engaged in other concerns, will now cherish those domestic institutions, which will preserve the nation's dignity and promote the people's welfare.

Of the merits of the little work we are about to issue to the public, it is not our province to decide, but of the advantages to be derived from its sale we would beg leave to say every thing which a disinterested exertion in the cause of Domestic Manufacture justly demands—And as the profits of this work, after the expences of publication are paid, will be solely devoted to the purposes of the Arlington Institution, we may hope and confidently expect a liberal patronage from a discerning and patriotic community.

EDITOR.

☞ *Printers in the U. States will please to give this advertisement an insertion in their respective papers, and such as demand it will be paid at this office. Booksellers supplied on liberal terms, and all orders will be punctually attended to.*

President.

June 21 1aw1m.

FOR SALE,

My SEAT in King George county. It lies on the head of one of the branches of Machodock creek, between four and five miles below King George court house, and on the main road leading from Fredericksburg to Mattox Bridge. The situation is healthy, affords fine water, embraces the great advantages of proximity to the court house of the county, church, mills, tobacco inspections, navigations, fish, fowl, oysters, &c. enjoys respectable neighbors and genteel society; and from its central position between Potomac and Rappahannock, thereby commanding the benefit of both these rivers, is particularly well suited to the business of any gentleman of profession. Wherefore it will be sold either with as much land as will afford a competent support of wood and water, with the improvements alone, or with between four and five hundred acres, as shall be most convenient to the purchaser; and possession can be had on the first day of January next. This land lies level, generally; possesses an abundance of materials for fencing, some timber for building and occasional repairs, a plentiful stock of fine wood, and is of the usual soil in the neighborhood that does not lie immediately on the margin of the broad water courses.

The improvements consist of a dwelling house of convenient size, perfectly new, built of the best materials, handsomely finished with a fine cellar to it, and a variety of other accommodations for a genteel family—a store house with a counting room to it, and a fine cellar to the whole of that building also—barn, comprising stable and granary—a good house with other accommodations for an overseer, and customary houses of other descriptions—to which are annexed a well laid off productive garden handsomely paled in, a good yard, some valuable wheat and grass lots, and orchards of a variety of selected fruits of the most approved kinds; and all well enclosed.

Also, another Tract of Land, in Culpepper county, containing about two hundred acres, mostly in wood, and unimproved.

In the event of the sales of the foregoing Lands, will dispose of some valuable Negroes, my Plantation utensils, some Household and Kitchen Furniture, Cattle, Hogs, Horses, &c. Among the latter are a pair of good Saddle Horses that match well for a Carriage, some excellent Work Horses, and a thoroughbred Stud Horse only seven years old in April last. He is an excellent Foal-getter, and from his size, blood, and figure, is justly entitled to be ranked among the first class of Horses in this country. The whole of this property, excepting my negroes, which I shall dispose of in my neighborhood for their own accommodation, will be sold under a small reserve that will be required in money, or at short dates, at private bargain, either on easy payments in the purchasers own paper, if satisfactorily secured, for approved bonds well endorsed, property in Alexandria or its vicinity, or suitable merchandize.

The premises can be reviewed and terms made known by application to G. CHAPIN, esqr. cashier of the Bank of Alexandria, or to the subscriber residing in King George county.
